## Changes on the Executive Board and Board of Directors of Wüest Partner

In accordance with the principle of rotation set out in the company's organizational regulations, Wüest Partner is making new appointments to some positions on its Executive Board and Board of Directors with effect from 1 May 2017:

Marco Feusi has been appointed President of the Executive Board. He has been with the company for 17 years and became a Partner in 2003. For several years he has also been a member of the Board of Directors, a post he is now relinquishing. Marco Feusi takes over his new role from Andreas Ammann, who is moving from the Executive Board to the Board of Directors.

Patrik Schmid has also been newly appointed to the Executive Board. He takes over from Patrick Schnorf, who is leaving the Executive Board as his three-year term has ended. Patrik Schmid has worked for Wüest Partner for 13 years and has been a Partner since 2012.

We would like to thank all our partners for their commitment in their previous functions and wish them all the best in their new roles.
